Keynote Speaker: LeAnn Thieman, LPN, CSP, CPAE

LeAnn Thieman, LPN, CSP, CPAE, co-author of the New York Times best seller Chicken Soup for the Nurse’s Soul will be the Keynote Speaker on Thursday, November the 7th.

Ms. Thieman is a nationally acclaimed professional speaker, author, and nurse who was “accidentally” caught up in the Vietnam Orphan Airlift in 1975. Her book, This Must be my Brother, details her daring adventure of helping to rescue 300 babies as Saigon was falling to the Communists. An ordinary person, she struggled through extraordinary circumstances and found the courage to succeed.

After her story was featured in Chicken Soup for the Mother’s Soul, Ms. Thieman went on to become one of Chicken Soup’s most prolific writers.

As a renowned motivational speaker, she shares life changing lessons learned from her nursing experiences. Believing we all have individual “war zones,” she inspires people to balance their lives, truly live their priorities, and make a difference in the world.
