

Advances in Pediatric Hematology/Oncology

November 1 - 3, 2018

Conference and Hotel Information

Keynote Speaker: Diana Jordan

Actress, Author, Comedian, and Cancer Survivor, Diana Jordan will bring her unique comedic perspective to this year's conference, presenting on: *"The Healing Power of Laughter-Nourishing the Nurse Within You."*

Diana has been nominated by the American Comedy Awards as a Top Five Female Comedian in the country, and has appeared on Showtime, HBO, ComedyCentral, VH1, and more, including the "You complete me" scene in the Jerry Maguire movie with actor Tom Cruise.

Oprah calls Diana Jordan, "One of the funniest people on the planet!" Dr.Oz is quoted as saying, "Diana demonstrates how laughter is indeed the best medicine!"

A favorite healthcare Speaker around the world, Diana takes her own personal experience with breast cancer as well as University studies in Psychology and intertwines it with her award winning comedic skills of over 20 years. This presentation is guaranteed to bring an exciting, educational, fun, and uplifting program for the hard working people in healthcare.

Diana describes her mission as: "Healing the world one laugh at a time."

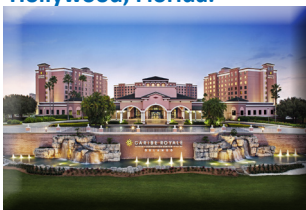

"I focus on the healing power of love and laughter, and demonstrate that our attitude equally impacts our health and ability to put things in perspective. Nurses feel overworked and under-appreciated. I feel compelled to bring them an informative and very funny presentation to help them feel appreciated and demonstrate the wonderful effects that laughter can have on the body, the mind, and the reduction of stress."

Excerpts from evaluations of past conferences...

"Wonderful Conference! Content was great for all."

"Thank you for putting on such an awesome conference year after year!"

"Best medical conference I have attended, exceeded my expectations!"

"The content was interesting and significantly enhanced by the quality of the speakers. Thank you for the best FAPTP meeting thus far!"

"Well organized and managed; great perks, food, exhibits, location."

"Thank you for another wonderful conference! It gets better each year!"

"Affordable, easy to get to, good speakers, friendly staff, current topics."

"Best, well rounded educational program for our pediatric hematology/oncology profession."

"I really enjoy this conference. You had wonderful speakers that spoke on current, relevant pediatric hem/onc topics. As an APRN, I also appreciate that the material is not "dumbed-down" as many nursing conferences can be. I learned a lot and also appreciate the review of some important material. Lastly, the price including meals is also wonderful. It makes coming with my family an option which is very important to me. Thank you for a great few days!"

"Topics discussed very pertinent to practice. Some speakers gave material and suggestions to take back to home-based clinic."

"Really great presentations and speakers, one of the best FAPTP conferences to date. Great variety of topics, really enjoyed it!"
